Where possible, we ask Singing Members to pay subscriptions under the Inland Revenue's Gift Aid regulations.

This means that if the member pays either income tax or capital gains tax we can reclaim tax on the subscription at the present Gift Aid rate of 28%. There is no extra cost to members.

If you are willing to help in this way, please sign the Gift Aid Declaration and return it to me.

If the Inland Revenue send you an annual tax return, you will need to declare the amount given.

If you personally pay no tax, but have a spouse who does, then they may pay it on your behalf.

The Gift Aid Declaration will remain in force without renewal, but please inform me should changed circumstances mean that you no longer pay sufficient tax.

On behalf of the Choir please accept my thanks if you feel able to assist.
